

Dinesh Sharma
Graphic Designer

Home Town: Dehra Dun, Uttarakhand

Work Interests: My main area of interest lies in creation and modification of People's Science Institute website, different types of newsletters, manuals, posters for different projects, formatting reports and proposals for different projects, photographs editing for different projects and making powerpoints for various projects.

Personal interests: I enjoy listening music a lot, and can play various kinds of keyboard related musical instruments like piano, synthesizer, organ, harmonium etc.

I rehearse and compose music, teach music to children. My favourite composer is R.D.Burman. I also enjoy learning new softwares for my designing work. Now I am learning more musical instruments.

I also love watching sports like cricket tennis and badminton.
